2	4	1	2010-01-02 18:01:54	Heya. I was quite sad because like you said you were going to wipe database, and add new stuff. Then I got told you left and it made me quite sad tbh lol. :) Glad your back!	
4	4	1	2010-01-02 18:07:28	Ok, so here goes an idea. For everybody who gives a good idea which is USED in the hotel, like that "Admin" guy just did, you give them a badge? Like one saying "IDEA" or something.	
5	4	1	2010-01-02 18:13:53	Nillius, Moogly was quite pissed. He was like: "That Dominic dude is admin? Fuck this, I'm out of here" and he left.	
6	4	1	2010-01-02 18:23:23	I lost the camera I had before the wipe, mind if I get a new one? :P	
7	4	1	2010-01-02 18:32:11	Well, Moogly said: "WTF? Dominic is admin? If he's admin, I quit. Fuck this, I quit" and left the hotel... Then Arths stayed with me speaking for a while and then said "If he quits, I quit", so yeah. CAMERA? PLOX!	
9	4	1	2010-01-02 18:40:19	Haha, Moogly has the fame, Dominic has the mind. He got pissed really quick, and I was like "wow.. you've just arrived, lol". Nillius, give me my camera back! :P	
10	4	1	2010-01-02 19:41:44	Can you do something about this guy harrassing me or not? =S	
18	4	1	2010-01-02 19:47:28	Nils, listen, please give HC to Katie. Not only did she spend hours building an Airport yesterday to make this hotel a nicer place, but she also will spend more time on this hotel than everyone else. Even though she was 26th...	
20	4	1	2010-01-02 19:49:01	Do I have HC?	
22	4	1	2010-01-02 19:53:09	I don't...	
23	4	1	2010-01-02 19:55:11	Everyone is leaving Nils... =(	
25	4	1	2010-01-02 19:56:46	Nils, you need to do a competition. Give out something nice, cameras. Also, I still don't have VIP, not even the VIP gift.	
27	4	1	2010-01-02 19:59:48	Don't know how to do what? :P Competitions or give HC?	

id	senderid	receiverid	timestamp	text	isread
29	4	1	2010-01-02 20:02:59	Can I make an official competition? I'll run it in a room of mine. You give me 100 credits and watch me buy everything. I'll make a race or something. I'll make a nice room. I'll give you any change.	
31	4	1	2010-01-02 20:04:28	Ok, I'm going to make... Uhm... Pod Race, just to start off :P Come to my locked room.	
33	4	1	2010-01-02 20:19:39	Come to the room :D	
34	4	1	2010-01-02 20:19:41	Start by giving me around... 70 credits PLUS the prize. I promise to spend everything on the game and give you back the change (unless you let me keep it)	
35	4	1	2010-01-02 20:33:00	I need: - 3 majestics	
42	4	1	2010-01-02 20:53:27	See? This is fun. This is what makes people stay on your hotel and not leave because they're bored to death. I'm good for Hobba :D	
44	4	1	2010-01-02 20:53:59	Empty message?	
46	4	1	2010-01-02 21:00:13	Yeah, I know the stickies thing. When do you think you'll be hiring?	
47	4	1	2010-01-02 21:05:06	Don't ignore that message! :D:D When do you think you'll hire Hobba's? :P	
48	4	1	2010-01-02 21:14:39	SUGGESTION :P ----- Make an AFK command, they're really usefull. You can either say :AFK and have your motto say [AFK] or after 10 minutes not doing anything, it takes place (AFK)	
50	4	1	2010-01-02 21:15:59	What's newlines? It was huge :P	
52	4	1	2010-01-02 21:33:39	AFK command. a) Type in :afk and your motto is [AFK] until you move or say something. b) After 10 minutes, the AFK command takes place automatically.	
53	4	1	2010-01-02 21:51:27	Mr. Nils... I believe you should hire Hobba's :) They would make the hotel funner.	
54	4	1	2010-01-02 22:06:56	This dude, is starting to harrass me a lot. I know he's your friend, I've noticed, but please do something about it.	

id	senderid	receiverid	timestamp	text	isread
56	4	1	2010-01-02 22:10:32	I don't know what newlines are! :P I mean the JustinTimberlike guy, A.K.A. Kieren or Kieran.	
57	4	1	2010-01-02 22:10:42	You see who I mean? The f'ing Kieran dude.	
59	4	1	2010-01-02 22:15:09	Well he's harrassing me.	
60	4	1	2010-01-02 22:22:16	Give me a camera please. I helped you host and event dude.	
70	4	1	2010-01-03 12:26:40	Hey! :P	
94	4	1	2010-01-03 22:12:36	Bro? You haven't been on all day =(	
95	4	1	2010-01-03 22:12:37	Nils, come to my room. I need to speak to you :D	
96	4	1	2010-01-03 22:12:38	My room... NOW :)	
101	4	1	2010-01-03 22:12:41	SUGGESTION ----- Add the: ":givecoins {user} {amount}" :)	
102	4	1	2010-01-03 22:12:43	Pod Races - ... in my room! You want more furni? Come win it. [Macheath's idea]	
106	4	1	2010-01-03 22:12:44	Maxwell says his hammock disappeared?	
119	4	1	2010-01-03 22:42:47	LOL! Stocks has a password, how am I meant to go in?	
121	4	1	2010-01-03 22:49:14	Haha ok! I'm sorry to be such a pain, but I think it's obvious who of the users spends more time on this hotel. You should hire a Head Hobba (: answer! :)	
173	4	1	2010-01-04 15:58:47	I've made over 20 Otaku users play. Before I managed to shorten URL, I had it so they had to PM me for the link. (I got over TWENTY PM's). Answer to this, then I'll continue.

176	4	1	2010-01-04 16:05:24	Exactly. Notice we're more than 100 registered now. Ok, second thing is: Check the RZ thread you made, I posted more screenshots that look amazing, take a look.	
177	4	1	2010-01-04 16:05:27	I know what DoS is :D Denial of Service request. But what is there to do? Should I stop advertising there?	
179	4	1	2010-01-04 16:20:36	EPIC. Ok, listen, look on the RZ thread. I've added a really nice comment and four screenshots.	
188	4	1	2010-01-04 16:31:53	What is j00 up 2? (: Coding something?	
193	4	1	2010-01-04 18:17:24	a) Normal users can kick Hobba's out of their rooms? :P b) Who's TheAJ? Why's he Gold Hobba? Just wondering... c) Shouldn't Arths be admin and not moderator? :o	
195	4	1	2010-01-04 18:30:57	Ok :P a) Great. Thanks. b) You should make a special rank for "Technician" (same as admin but with different name) because he's not active at all and has Hobba and didn't go through the trial. c) MOD's should be Super Hob.	
196	4	1	2010-01-04 18:33:50	Nillus, do you think I could have your MSN? I've got Jordan, Dominic & TheAJ. I'd like having you too. Thanks, Mark	
198	4	1	2010-01-04 18:40:54	Maybe in the future, if you get to know me better you will. Anyway, I should tell... you should make a decision, either hobbas or moderators. No point having both. Make moderators, super hobbas?	
220	4	1	2010-01-06 12:07:32	Come to my game room Nils (:	
221	4	1	2010-01-06 12:36:07	Nillus. I think you should really sort out the Hobba's thing. Why have Hobba's and Mod's? Just have Gold Hobba's for Mod's. Also, who is TheAJ?	
223	4	1	2010-01-06 12:46:17	But don't you think there's too many ranks? Basically, moderators don't moderate, they take care of the server, right? So Hobba's moderate. (I remember who TheAJ is, he's on my MSN. He does Runescape servers, right?)	
226	4	1	2010-01-06 12:51:21	I can't post in the "Suelake" forums for some reason, all topics seem "locked".	
230	4	1	2010-01-06 12:55:53	Contact me when your done pl0x.

236	4	1	2010-01-06 13:11:10	Every single thread in the Suelake section is locked for me..	
237	4	1	2010-01-06 13:11:22	Still all locked... =(

241	4	1	2010-01-06 13:15:33	... =(What now?	
266	4	1	2010-01-06 20:18:14	Nullus. Hotel alert them all to my room please. Also, send me the prize in a gift.	
267	4	1	2010-01-06 20:27:25	Okay. First off, I'd like you to know, (and you may have noticed) that I am not power-hungry. I'd just like to ask, if you don't want an actual Events/Community manager. All your admins are techies, no one runs the hotel...	
269	4	1	2010-01-06 20:41:29	Make MOD's be called Gold Hobba's btw. Also, a) have you coded "kick to door"? b) Make the Events Manager rank, I'll love you forever :D c) Want a donation to the hotel?	
274	4	1	2010-01-06 20:46:48	I forgot what I said on c) :D What was it?	
276	4	1	2010-01-06 20:49:25	Oh -.- Lol, the only thing you think is awesome is the donation :D You will be payed 1 pound if you code "kick to door" now, how epic is that? :)	
278	4	1	2010-01-06 21:13:18	k. Will you be able to add the Events Manager rank?	
305	4	1	2010-01-07 17:44:58	Epic! (: Shame you've left Suelake already. I logged on right after you sent the message. Hehe. Anyway, I added that vid on Otaku thread.	
701	4	1	2010-01-11 16:17:46	Dear Suelake Admin's, I'd like to inform you all that I will be inactive over the next week or so due to the fact that I came home on Saturday wasted :P Please do not fire me, you know how much this hotel means to me.

705	4	1	2010-01-11 16:18:11	First administrator to read this, my email is... probabletsunami@hotmail.com I've donated 3 euros, please add my 30 points.	
729	4	1	2010-01-11 17:48:38	Ok, so, I've got a couple of things to say. a) Can you give me 5 free points please? I need 35 :D I'll pay you soon. b) You've made points too expensive, in my oppinion.	
731	4	1	2010-01-11 17:48:44	Nils, I need to speak to you bro. I came to a cybercafe to speak to you. I only came here to speak to you about SUELAKE. So I'd really appreciate if you came to my room.	
934	4	1	2010-01-15 21:24:44	Nils :P I've been waiting all day for you to come on. So much to say, where shall I start? I've started building a quest, the hotel is boring, search my name and go to Quest Entrance (it's not finished).	
935	4	1	2010-01-15 21:24:51	Second thing. How'd this Project dude get moderator? He told me it's because "he's on a lot". However, I'm on a lot too and I work my ass off to make users happy and entertained, anyway, up to you.	
936	4	1	2010-01-15 21:25:56	Finally, I need you to lend me 100 coins, 3 prizes and 5 points so that I can finish the Quest. Coins 4 room building. Prize 4 whoever wins (top 3) Points 4 a bot I need to buy for the end of the quest (Mr.B)	
937	4	1	2010-01-15 21:25:58	See you later <3 Sucks, you come on when I leave, haha. I'll try to be on later.	
959	4	1	2010-01-16 12:42:24	Go to my room called: [Official Quest] Mr. B?! I'm waiting for you there to show you the whole quest I built :P	
962	4	1	2010-01-16 12:42:24	Come to the last room find Mr. B :P	
964	4	1	2010-01-16 12:42:27	Nillus, when will I know if I pass to Gold Hobba? I think I've been doing a pretty good job. To be honest, I'm the only one trying hard to keep this active. All admins aren't doing ANYTHING.	
966	4	1	2010-01-16 12:45:14	What the hell? :o Thank you so much Nillus! :D	
967	4	1	2010-01-16 12:48:18	Can't you see my text?	
969	4	1	2010-01-16 12:52:52	Nillus, you really need to solve this staff issue. Stocks is a bot. Moogly never comes on. Both should be removed from	

id	senderid	receiverid	timestamp	text	isread
				the list.	
				You 4 admins are ok, leave that.	
970	4	1	2010-01-16 12:52:56	Maybe make a "legendary" rank or something. Or maybe just give them the badges but not the rank. Loads of staff scares people away from retros.	
971	4	1	2010-01-16 13:19:27	Nillus, may I have a clone account for testing purposes? Btw, does the ban for 1 hour, 2 hours, etc. work?	
973	4	1	2010-01-16 13:24:31	Can I ban for example for 0.5?	
975	4	1	2010-01-16 13:24:56	Ok, can I make a clone?	
978	4	1	2010-01-16 13:25:57	Difference between superban and ipban?	
979	4	1	2010-01-16 13:26:20	It's not only for that... :) PLEASE? :P	
981	4	1	2010-01-16 13:28:28	Oh, great... Can I have a clone? (:	
983	4	1	2010-01-16 13:29:47	Thanks. Listen, try to work on that homepage urgently Nillus. Attractive site brings lots of people. Try to get one of those rare old Habbo layouts.	
985	4	1	2010-01-16 13:30:50	What's done? :o	
987	4	1	2010-01-16 13:30:54	:D Which one? :P Off-topic: Come to my room.	
989	4	1	2010-01-16 13:33:04	Banning works :D	
990	4	1	2010-01-16 13:44:27	I don't know what layout your talking about, can't find it..	
1025	4	1	2010-01-16 19:52:12	Where you at?	
1032	4	1	2010-01-16 20:14:18	Loads of people have donated. I'm seeing lots of cameras! (:	
1043	4	1	2010-01-16 21:15:35	Why won't Suelake appear in processes on ArtMoney?	
1062	4	1	2010-01-16 23:10:27	Are you going offline?	
1064	4	1	2010-01-17 12:39:47	Don't go offline. As soon as no admins are online, everyone leaves. Send me 100 coins for the game I'l building please.	
1104	4	1	2010-01-17 12:41:52	First off, heya! How are you? :P Second off, thanks to my new prezzie trap game, I kept 12 user online for over 1 hour, record? :D Finally, I think we should open Hobba applications. I THINK Dominic agrees. Also, it would bring loads of people and keep em active.	
1106	4	1	2010-01-17 12:44:18	@users: IKR? It was so fun, the room was packed. @silverhobbas: Shall I code a form? You stick it on the site, k? Do you mind if I'm the one who runs through the apps. and only gives you the worthy ones? :o	
1113	4	1	2010-01-17 13:11:53	Do you mind if we do the applications on a seperate site, with storage etc.?

1118	4	1	2010-01-17 13:17:26	Exactly. I asked you earlier if I could do the application and you said yeah! :P How can I do it if I don't have access? :P	
1121	4	1	2010-01-17 13:18:59	Nillus, I'd really appreciate if we could use Wufoo, a basic yet professional online form system. Find it at http://wufoo.com It's really helpful.	
1123	4	1	2010-01-17 13:34:02	You could just add a new button called: "Staff Applications" that would lead you to the Wufoo page.	
1129	4	1	2010-01-17 13:34:03	I'm making an account on Wufoo just so you see.	
1164	4	1	2010-01-17 15:31:35	I've finished the Wufoo site. Would you like to see it? Dominic liked it, and he doesn't usually like my ideas (:	
1165	4	1	2010-01-17 16:05:56	Do you like it? :D I worked on it tbh :P	
1167	4	1	2010-01-17 16:09:09	Oh.. uhh... I really need your MSN lmao. But anyway, here goes: http://suelakeapplications.wufoo.com/forms/suelake-hobba-applications/	
1169	4	1	2010-01-17 16:10:51	I worked hard on that thing Nils. By the way, there's an option of embedding it into your own site, can we do that?	
1172	4	1	2010-01-17 16:18:44	Yeah, so basically, I wont be able to do applications. I wont even see them. :)	
1174	4	1	2010-01-17 16:18:45	Right?	
1181	4	1	2010-01-17 16:22:19	That would be very nice. Do you like how: "Staff Coordinator" sounds? (:	
1183	4	1	2010-01-17 16:52:20	:o Really? So I'm the Staff Coordinator?	
1191	4	1	2010-01-17 16:52:23	Did you say earlier that I was going to be "Staff Coordinator" ... or did you just like the game?	
1193	4	1	2010-01-17 18:29:59	I really need the kick to door command and the countdown one.	
1212	4	1	2010-01-17 19:00:31	Nillus, Your giving away too many special stuff :P I want something! :D

1599	4	1	2010-01-22 22:26:12	When will you be creating that CMS page on homepage so that I can start hiring Hobba's? :D	
1601	4	1	2010-01-22 22:27:04	:o We're no longer in BETA? :P	
1603	4	1	2010-01-22 22:28:33	You know what the guy did now? After I filled the thread with banners? He deleted the whole fucking thread man. =S	
1605	4	1	2010-01-22 22:30:44	Pfft. You should be the one mad at him, not viceversa. Anyway, how's everything? I love the newbie furni thingy :P Amazing. Good job on that. Btw, "Staff Coordinator" = me? :D	
1607	4	1	2010-01-22 22:34:48	Excellent! I'm so proud of Suelake, man. Seriously, since I have joined, I've noticed such an improvement. I love the way it's coded. I love the way how it runs. It's amazing.	
1609	4	1	2010-01-22 22:39:00	Yeah man. Like you said before. I picture Suelake full of users with 300 users and me getting hundres of calls and needing to help everyone! :D Can you imagine?	
1611	4	1	2010-01-22 22:42:54	I'm asking you please not to allow nazi or any other anti-semitic or racist symbols on this hotel.	
1613	4	1	2010-01-22 22:44:48	It offends me, a staff of this hotel. If it offended Jordan or anyone else, I'm positive you would take it down. I believe I contribute a lot here.	
1614	4	1	2010-01-22 22:46:51	Thanks Nillus, I appreciate it. Can you really do scripted nudes?	
1617	4	1	2010-01-22 22:47:54	Nillus, we need a rules book or something. Possibly if you could edit something into the client, or on the homepage for us moderators to go by, I'd appreciate it.	
1620	4	1	2010-01-22 22:49:44	When it's done warn me and Project please. I need it ASAP.	
1633	4	1	2010-01-22 22:56:07	Do you reckon applications & rules page will be working by tomorrow?	
1635	4	1	2010-01-22 22:57:32	That's epic. Make it so normal users see: Staff Applications & I see:

1639	4	1	2010-01-22 23:03:27	Ok, sorry for being such a pain. One last question... Do you think I'm doing a goob job as a moderator? Please be hones. Name cons and pros. This is my last question, promise.	
1641	4	1	2010-01-22 23:06:03	What? Serious? Lol, I love scripters. I've never complained about any scripter at all. I love em. Asci taught me to colour sticks. Anyway bye!!	
1703	4	1	2010-01-23 16:51:58	Heyaa! :) I love the "Rare Item" page on homepage, nice work. When purchasing Samovar, I get d/c. You?

1735	4	1	2010-01-23 20:09:22	Holy shit. Are you aware that if that's done, we will be so packed with users?	
1736	4	1	2010-01-23 20:10:31	I'm trying to build a helpdesk. I'm nearly done. However, to finish it, I need; -50 credits (more or less) -3 HC sofa's -A couple of unique furni (to make it look nicer and official)	
1738	4	1	2010-01-23 20:11:19	Epic, all I need now is the unique stuff to make it look official.	
1755	4	1	2010-01-23 20:30:40	I need more credits. Give me like 30 more, please.	
1816	4	1	2010-01-24 14:16:53	Ascii. has been banned for 6 hours for ignoring the specific rule regarding swastikas. Just wanted you to know.

1939	4	1	2010-01-24 15:37:11	How's the rules page and the applications form system running? (;	

id	senderid	receiverid	timestamp	text	isread
1945	4	1	2010-01-24 15:47:37	:P Great. I'm the first to read em, right? :D I'll filter them, delete the bad ones and warn you when the good ones are remaining.	
1972	4	1	2010-01-24 16:14:42	How are the Staff Applications running? Also, I got five mire people from Otaku on the game who I believe will be quite active. :P	
1990	4	1	2010-01-24 16:15:27	:o Where?! :D Homepage? :D And what's that reviewer thingy?	
2000	4	1	2010-01-24 16:21:37	That is so f'ing epic. Basically like a news form, and staff can submit comments on them, right? Make sure normal users can't, eh? :D How long till released? :P	
2011	4	1	2010-01-24 16:25:11	Mhm, very nice idea. Nillus, before you do that, you need to sort out the homepage. You've made too many links and they're all one after the other... You need to figure something out.

2035	4	1	2010-01-24 16:48:43	You believe him?	
2037	4	1	2010-01-24 16:49:34	=S You do? Why's that?	
2039	4	1	2010-01-24 16:53:18	All I did was open the gate for me to come in. He's been harrassing me since the day I got Hobba. He even admitted it was because he was jealous. He keeps it up and I'm going to ban him. I've put up with a lot.	
2040	4	1	2010-01-24 16:53:21	Make area gates stackable please.

2047	4	1	2010-01-24 17:02:14	Nono, it's a question. Are there any more besides from cata?

2958	4	1	2010-01-25 22:10:13	Ok. Can I have FTP access to the page for R.O.T.W.? I'd like to run it, weekly. Winners revealed on Friday's. I'd take care of sorting out all the emails/screenshots, showing you them, etc. :P	
2960	4	1	2010-01-25 22:12:31	How would I do that? Via FTP?

3290	4	1	2010-01-26 21:35:42	Have you ever thought of running a server like that?	
id	senderid	receiverid	timestamp	text	isread
3295	4	1	2010-01-26 21:41:09	You can't trust anyone online. I learnt that when someone I had been "best friends" on Habbo UK for a year and a half, like brothers on MSN, hacked 25 thrones away from me.	
3297	4	1	2010-01-26 21:43:58	Ik ik, I wasn't saying not to trust him. I was saying that because you said "people are so unloyal" it's unbelievable. I'd like to have the emulator if you ever give it to the guy.	
3302	4	1	2010-01-26 21:45:43	I don't want the Suelake one. Well, obviously I do, everyone does, but I wasn't referring to that one. I mean the sunnieday one. I wouldn't share it. Just for me.	
3313	4	1	2010-01-26 21:51:14	... you don't trust me. Not even for the late version emu?	
3315	4	1	2010-01-26 21:54:23	But why wont you release it? Nillus v1 :P r40 Server.	
3316	4	1	2010-01-26 22:14:06	I'm a v14 server. Help needed asap I gave myself 99999999999999999999 credits and fucked my purse up. What else can I do to fuck up? I'madmin btw.	
3318	4	1	2010-01-26 22:17:38	What can I do to make server fuck on a v14 server? I'm admin. Gave myself 99999999999999999999 credits and fucked up purse. I want to make a friend go mad. What else todo?	
3320	4	1	2010-01-26 22:17:41	About server: Nillus, I wouldn't release it to anyone at all, I swear on my life. I just want to have a little hotel to test on. Read the other messages.	
3322	4	1	2010-01-26 22:21:14	That's a real shame. Anyway, how do I fuck up a v14 server? I'm admin on it. I only want bugs and glitches.	
3324	4	1	2010-01-26 22:22:32	Lmao, nvm.	
3330	4	1	2010-01-26 22:52:50	I have banned Maxwell, what he's done today has just done it. 12 hour ban. Reason: persistent harassment towards hotel staff.	
3539	4	1	2010-01-27 17:23:07	Hello Nills :P	
3610	4	1	2010-01-27 21:47:53	Did you read the investment I wanted you to make in the Visitor Message I sent you?	
3612	4	1	2010-01-27 21:49:49	It's not for you. It's for me. :P It's a small project of my own I'd like you to help me out with. I promise

3636	4	1	2010-01-27 22:22:40	Jordan doesn't like me I think.	
3662	4	1	2010-01-27 23:08:04	Give me 250 coins for tomorrow, I'm making a quest. Pl0x kty.	
3663	4	1	2010-01-28 15:50:00	Make a signature saying HabboPlanet.org supports Suelake.com Exactly like the one in EvationStudios. HabboPlanet will be working 5 mins

4498	4	1	2010-01-30 21:45:09	I'm going to make one of things that scrolls, like a marquee but with hotels. I need you to send me an image saying Suelake.com or whatever, the size of those small ones, k?	
4554	4	1	2010-01-30 22:26:38	It's a topsites Nillus. Your being real mean to be today Nillus. But oh well, your the boss.	
4556	4	1	2010-01-30 22:29:52	What's wrong with you? Why are you mad at me?
